

Ca urmare a solicitarilor si argumentelor transmise Board-ului concursului Land of Valley – Land of Lights de catre echipa proiectului „Pulse Ring”, facem urmatoarele precizari:

1. Juriul a fost informat de aspectele prezentate de catre echipa proiectului „Pulse Ring” si a hotarat mentinerea deciziei de retragere a mentiunii acordate acestui proiect.
2. Juriul considera ca acceptarea primita de la autorii Snohetta – proiect este valabila, dar din pacate tardiva, aceasta fiind obtinuta ulterior publicarii proiectului in concurs si jurizarii.

Pentru informarea corecta a publicului, Board-ului concursului prezinta solicitarea echipei proiectului „Pulse Ring” si acceptul autorilor Snohetta – proiect de folosire a imaginilor aflate in discutie, astfel:

Hello!

My name is Andrei Sain, stud. arch. at UAUIM Bucharest, Romania.

**I will address this question in order to request permission to use a collage**, a part of a picture of yours, from a Snohetta project and i attach below: your render, our original render and the final collage.

**We would like to know if this would prejudice the fact that we did not cite the source and if there is any possibility that we can buy this image and use it in the way described above.**

This collage will be used in a competiton describing a building in a very large complex as is shown below in research lab picture (the red building).

thank you for consideration,

waiting for an answer and all the best,

stud. arch. Andrei Sain
